ABOUT DELTA SIGMA PI

OUR PURPOSE

“Delta Sigma Pi is a professional fraternity organized to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture and the civic and commercial welfare of the community.”

OUR PILLARS

PROFESSIONALISM

With more than 250,000 brothers initiated, Delta Sigma Pi provides supportive friendships that foster both professional and personal success and fulfillment. Through mentorship programs and retreats, we connect brothers with similar aspirations to grow together. Brotherhood stems from the idea that every interaction can leave some sort of impact.

Delta Sigma Pi strives to contribute and learn while serving others. We aim to create positive change and empower individuals and families to thrive by prioritizing meaningful engagement and understanding of community needs. Through the support of cultural and civic organizations and various volunteer activities, we seek to improve the lives of individuals and families near and far.

BROTHERHOOD

The Theta Sigma chapter consists only of University of Central Florida College of Business students with a 3.0 GPA or higher. Our members enjoy high-quality training, frequent events with business and cultural leaders, opportunities to mentor and be mentored by experts in their fields, and various networking opportunities with business professionals.

WHY PARTNER?

What ultimately sets Delta Sigma Pi apart is our consistent structure of personal and professional development, as well as our lifelong commitment to supporting our members. With over 140 members, we foster a community of high-quality individuals, each of whom is required to maintain a GPA above 3.0 to join. By pushing each other to maximize our impact on the world and the College of Business Administration at the University of Central Florida, we set ambitious goals and pursue them to completion. DeltaSigs have access to numerous events, conferences, and an extensive network of resources designed to build professional skills, leadership abilities, management potential, and character—though none of this is achieved without the support of our dedicated sponsors.
